

MY WORK

Address Your Health & Happiness

Spirit Guided Readings

We all could use some guidance now and then. We can get stuck when a simple 'yes' or 'no' answer might un-stick us. Sometimes we just want to know if we are on the right path, or what's coming down this path towards us. This is where our Spirit teams come into play. We each have one, a Spirit Team that is, and they are here to help you. Often they've already been trying to reach out to you. This team is made up of Spirits and Guides that showed up at your birth, or ancestors and relatives that have joined along the way. I can help you connect with your team, also known as Divination. In a reading, you can come up with a question, ask for guidance on a subject, or just have the Spirits share with you what they feel you need to know at that moment. Most readings last about one hour and can be done over the phone or in person. Readings can be recorded if desired.

Song Counseling

Similar to a Spirit Guided Reading, we, myself and your team of spirit helpers address what's keeping you stuck and not thriving, as we say in *Ka Ta See*, "Not in Your Song." Session can be scheduled regularly or as your need a little boost to get back on your path to health and happiness.

Ka Ta See & Egyptian Mystery Teaching Ancient Energy Work

As an initiated *Ka Ta See* Shaman, I've completed the Seven Levels of Healing Arts Apprenticeship under Kay Cordell Whitaker, a *Ka Ta See* Elder, Grandmother, and *Kala Keh Nah Seh* Lineage Keeper. These teachings are of ancient energy work that can be performed on all bodies, the physical, mental, emotional, and spiritual, to bring your complete biosystem back to its original blueprint and help guide you to health and happiness.

Ka Ta See Red Door Energy Work

As an Advance Trained *Ka Ta See* Red Door Practitioner, I'm able to use the Red Door, a scalar energy tool, to both analyze and detect what is happening in your complete biosystem, and then direct the *Ka Ta See* Red Door to broadcast energies to clear, eliminate, repel pathogens, poisons, and disorders, as well as, help your body, its biosystem, return itself to its original blueprint.

** Disclaimer: The healing work and teachings that we offer and that you are receiving stem from Ancient Spiritual Healing Traditions and are not intended as medical or psychological service in the allopathic sense of the term. I do not make any medical claims. The ideas, information, procedure, and suggestions we provide are based on those ancient spiritual, traditional healing traditions and are not intended as a substitute for consulting with a medical professional. I or anyone else working with me shall not be liable or responsible for any loss or damage allegedly arising from anything we provide. Our healing work and teachings are rendered within the context of the ancient traditions they are based on. Everyone receiving healing work or teachings from us is wholly and entirely responsible for their own health and healthcare.

LORA KEDDIE
Ka Ta See Shaman

Trained in the *Ka Ta See* Ancient Healing Arts and the Egyptian Mystery Teachings, modern shamanism, as well as *Ka Ta See* Red Door Energy Work, my ancient and quantum physics, training allows me to work on the physical, mental, spiritual, and emotional bodies. As a *Ka Ta See* Shaman, we see the bodies all interwoven and work to heal all blueprints to create optimal physical and mental health, bringing coherence, coherence energies, and balance. Health and Happiness are both my focuses, whether a spirit-guided reading, also referred to as Shamanic Counseling, to help bring guidance to your life or using my energy training and tools to reverse damage to your physical body, it all fits into the realm of my healing work. My work is done through deep listening and allowing. I often call myself the middleman... or better said, the middle-medicine woman. I listen and I share either Spirit-directed words or quantum Life Energies. I listen and allow them to share truth, insight, and knowingness. I help bring balance, health, and happiness into all bodies: the physical, emotional, mental and spiritual. It's all interwoven and I help you weave the optimal and thriving blueprint of your biosystems.
